# SUBJECT INDEX

JOURNAL FOR NURSES IN STAFF DEVELOPMENT • Volume 15, Number 6, 270–273 • 1999 • Lippincott Williams & Wilkins

## A

Accreditation, JCAHO educational strategies that work, 49
Advanced practice nursing, report of the Task Force on Advanced Practice in Nursing Continuing Education and Staff Development, 219
Affective domain, writing objectives and evaluating learning in affective domain, 167
Age, developing meaningful age-appropriate competencies for clinical services, 241
Ambulatory care
  dosage calculation testing for competency assessment in ambulatory care, 193
  urgent care nursing, 210
Assisted self-directed learning, 116
Attitudes, writing objectives and evaluating learning in affective domain, 167

## B

Beliefs, writing objectives and evaluating learning in affective domain, 167
Book reviews
  Blood, JF Dailey, 173
  Cholesterol Treatment: A Guide to Lipid Disorder Management (3rd Ed.), DA Leaf, 37
  Clinical Management of Diabetic Retinopathy, A Veves, 218
  Clinical Process Redesign: A Facilitator's Guide, S Strongwater & V Pelote, 37
  Core Curriculum for Pediatric Critical Care Nursing, MC Slota (ed), 84
  Critical Thinking Assessment in Nursing Education Programs: An Aggregate Data Analysis, NC Facione & P Facione, 40
  The Difficult Patient, E Sohr, 38
  Essentials of Managed Health Care (2nd Ed.), PR Kongstvedt, 132
  The Guide to Benchmarking in Healthcare: Practical Lessons from the Field, AG Tweet & C Gavin-Marciano, 86
  Healthcare USA: Understanding its Organization and Delivery, HA Sultz & KM Young, 83
  Improving Quality: A Guide to Effective Programs, CG Meisenheimer, 39
  Innovative Teaching Strategies in Nursing (2nd Ed.), B Fuszard, 172
  The Michigan Manual: A Guide to Neonatal Intensive Care (2nd Ed.), SM Donn, 133
  Nurse's Pocket Guide: Diagnoses, Interventions, and Rationales (6th Ed.), M Doenges & MF Moorhouse, 38
  Nursing Administration: Managing Patient Care, J Dienermann, 174
  Nursing Administration Handbook (4th Ed.), HS Rowland & BL Rowland, 218
  Occupational Health Nursing Care Guidelines, D Daly-Gawenda, EK Hudson & C Perea, 37
  In and Out of Harm's Way: A History of the Navy Nurse Corps, DM Sterner, 133
  Patient as Partner: The Cornerstone of Community Health Improvement, AONE Leadership Series, 134
  Planning, Implementing & Evaluating Critical Pathways: Guide for Health Care Survival into 21st Century, PC Dykes & K Wheeler (eds), 85
  Registered Professional Nurses and Unlicensed Assistive Personnel, American Nurses Association, 217
  The Rehabilitation Specialist's Handbook (2nd Ed.), JM Rothstein, SH Roy & SL Wolf, 83
  Restraint-Free Care: Individualized Approaches for Frail Elders, NE Strumpf, JP Robinson, JS Wagner & LK Evans, 172

## C

Career development, organizing a professional portfolio, 5
Clinical services, developing meaningful age-appropriate competencies for clinical services, 241
Collaboration
enhancing relationships between nursing faculty and clinical preceptors, 148
institutional collaboration in distance education, 236
Competency
advanced practice nursing, 219
designing a competency-based nursing model in a multicultural setting, 56
developing meaningful age-appropriate competencies for clinical services, 241
dosage calculation testing for competency assessment in ambulatory care, 193
organizing a professional portfolio for staff and career development, 5
restructuring a competency-based orientation for RNs, 152
Computer-assisted instruction
courses without classrooms, 116
mandatory review package, 180
Confidance, RN delegation decision-making, 263
Conflict management, assessing educational needs, 92
Consumer-focused education, 23
Continuing education
computer-assisted instruction mandatory review package, 180
conflict management: assessing educational needs, 92
designing a competency-based nursing model in a multicultural setting, 56
developing meaningful age-appropriate competencies for clinical services, 241
enhancing relationships between nursing faculty and clinical preceptors, 148
implementing differentiated practice: personal values and work satisfaction among hospital staff nurses, 185
JCAHO educational strategies that work, 49
nurse manager's role in continuing education, 19
nurses' knowledge of pain management, 228
organizing a professional portfolio for staff and career development, 5
preparing readable patient education handouts, 11
report of the Task Force on Advanced Practice in Nursing Continuing Education and Staff Development, 219
role transition from graduate to staff nurse: qualitative analysis, 97
systematic planning of continuing nursing education, 163
transcultural patient care committee: actualizing concepts and developing skills, 141
Cost containment, 198
Cultural sensitivity
culture fair: creative, fun, informative method of cultural awareness education, 71
designing a competency-based nursing model in a multicultural setting, 56
transcultural education programs for RNs in selected Pennsylvania home health agencies, 120
transcultural patient care committee: actualizing concepts and developing skills, 141

## D

Death and dying, nurses' beliefs regarding family presence in resuscitation room, impact of education, 126
Decentralization, 198
Decision-making
RN delegation decision-making skills in practice, 263
teaching pain management, 27
Delegation, RN delegation decision-making skills in practice, 263
Differentiated practice, personal values and work satisfaction among hospital staff nurses, 185
Discharge planning, discharge-planning video: experience in amateur film making, 64
Distance education, institutional collaboration in distance education, 236
Documentation, mock trial at nursing Grand Rounds, 111
Downsizing, 198

## E

Editing process, discharge-planning video, 64
Education
courses without classrooms, 116
cross-training internship program for obstetrics (*letter*), 140
culture fair: creative, fun, informative method of cultural awareness education, 71
discharge-planning video: experience in amateur film making, 64
dosage calculation testing for competency assessment in ambulatory care, 193
effective presentations, customer-centered approach, 23
enhancing relationships between nursing faculty and clinical preceptors, 148
impact of teaching method on learning and retention, 205
impact on nurses' beliefs regarding family presence in resuscitation room, 126
institutional collaboration in distance education, 236
JCAHO educational strategies that work, 49
orientation experiences of urgent care nurses, 210

"party planner" approach to teaching complex material to all education levels of healthcare team, 159
restructuring a competency-based orientation for RNs, 152
storyboarding, 260
systematic planning of continuing nursing education, 163
teaching pain management, 27
transcultural education programs for RNs in selected Pennsylvania home health agencies, 120
Ethical issues, teaching pain management, 27
Evaluation
competency-based orientation for RNs, 152
writing objectives and evaluating learning in affective domain, 167

## F

Falls, fall risk assessment of hospitalized adults, 251
Family issues
nurses' beliefs regarding family presence in resuscitation room, impact of education, 126
patient teaching for older adults and families in long-term care setting, 75
Film making, discharge-planning video, 64

## G

Gerontology
fall risk assessment of hospitalized adults, 251
patient teaching for older adults and families in long-term care setting, 75
Greipp's model of ethical decision-making in pain management, 27

## H

Healthcare delivery, decentralization, cost containment, and downsizing, 198
Home health care
perceived self-efficacy of novice home care nurses, 79
transcultural education programs for RNs in selected Pennsylvania home health agencies, 120

## I

Internet, distance education, 236
Intranet, computer-assisted instruction mandatory review package, 180

## J

Job satisfaction, perceived self-efficacy of novice home care nurses, 79
Joint Commission on the Accreditation of Health Care Organizations (JCAHO)
culture fair: method of cultural awareness education, 71
triennial survey, staff preparation, 49

## L

Learning
in affective domain, 167
assessing learner needs, 23
JCAHO educational strategies that work, 49
Learning retention, impact of teaching method on learning and retention, 205
Legal issues, mock trial at nursing Grand Rounds, 111
Letter to the editor, 140
Long-term care, patient teaching for older adults and families in long-term care setting, 75

## M

Managed care, RN delegation decision-making skills in practice, 263
Mandatory continuing education, nurse manager's role, 19
Mandatory review, computer-assisted instruction mandatory review package, 180
Media review, Positioning the Surgical Patient, D Ross & D McDermott, 41
Medications, dosage calculation testing for competency assessment in ambulatory care, 193

## N

Negligence, mock trial at nursing Grand Rounds, 111
Nurse manager
promotion and implementation of continuing education programs, 19
teaching conflict resolution, 92
Nursing standards of practice, mock trial at nursing Grand Rounds, 111

## O

Objectives, writing objectives and evaluating learning in affective domain, 167
Obstetrics, cross-training internship program (*letter*), 140
Orientation
experiences of urgent care nurses, 210
impact of teaching method on learning and retention, 205
restructuring a competency-based orientation for RNs, 152
role transition from graduate to staff nurse, 97

## P

Pain management
barriers, 27
education, 27
nurses' knowledge of pain management, 228
Patient care services, developing meaningful age-appropriate competencies for clinical services, 241
Patient education
patient teaching for older adults and families in long-term care setting, 75
preparing readable patient education handouts, 11
Personal values, implementing differentiated practice: personal values and work satisfaction among hospital staff nurses, 185
Poster presentation, 260

Preceptors/preceptorship
enhancing relationships between nursing faculty and clinical preceptors, 148
role transition from graduate to staff nurse, 97
Presentations, customer-centered approach, 23
Professional portfolio, organizing a professional portfolio for staff and career development, 5

## R

Readability, preparing readable patient education handouts, 11
Resuscitation, nurses' beliefs regarding family presence in resuscitation room, impact of education, 126
Retention, impact of teaching method on learning and retention, 205
Risk assessment, fall risk assessment of hospitalized adults, 251

## S

Scripting, discharge-planning video, 64
Self-directed study
courses without classrooms, 116
impact on learning and retention, 205
Self-efficacy, perceived self-efficacy of novice home care nurses, 79
Skills assessment, "party planner" approach to teaching complex material to all education levels of healthcare team, 159
Staff development
designing a competency-based nursing model in a multicultural setting, 56
mock trial at nursing Grand Rounds, 111
nurse manager's role in continuing education, 19
organizing a professional portfolio for staff and career development, 5
orientation of urgent care nurses, 210
"party planner" approach to teaching complex material to all education levels of healthcare team, 159
perceived self-efficacy of novice home care nurses, 79
report of the Task Force on Advanced Practice in Nursing Continuing Education and Staff Development, 219
role transition from graduate to staff nurse, 97
systematic planning of continuing nursing education, 163
teaching conflict resolution, 92
transcultural patient care committee: actualizing concepts and developing skills, 141
Staff nurse
conflict management, 92
implementing differentiated practice: personal values and work satisfaction among hospital staff nurses, 185
nurses' knowledge of pain management, 228
organizing a professional portfolio, 5
Storyboarding, 260
Sudden death, nurses' beliefs regarding family presence in resuscitation room, impact of education, 126

## T

Task Force on Advanced Practice in Nursing Continuing Education and Staff Development, 219
Taxonomy, affective taxonomy, 167
Telecommunications, distance education, 236
Transcultural education
programs for RNs in selected Pennsylvania home health agencies, 120
transcultural patient care committee: actualizing concepts and developing skills, 141
Transformation model, "party planner" approach to teaching complex material to all education levels of healthcare team, 159
Transition education
orientation of urgent care nurses, 210
role transition from graduate to staff nurse, 97

## U

Urgent care nursing, orientation experiences: sources of learning, 210

## V

Values, writing objectives and evaluating learning in affective domain, 167
Videos. *See also* Media review
discharge-planning video: experience in amateur film making, 64

## W

Work satisfaction, implementing differentiated practice: personal values and work satisfaction among hospital staff nurses, 185
